Mermaid Coralie: Love and Madness

by [MiaQc](#)

Summary

An erotic story heavily inspired by The Little Mermaid. Coralie, a mermaid, falls madly in love with a human. Yet her family wants her to marry a newt.

- A translation of [Sirène Coralie: Amour et Folie](#) by [MiaQc](#)

Coralie, in love.

Since this story has multiple endings, I'm going to use chapters with the prefix "what if?" for the alternate endings.

In a far away world, deep in the ocean, live newts and mermaids. Coralie, a purple-eyed red-haired mermaid, is making hearts beat faster. Her family can't wait for her to marry a good match. A strong, courageous and, of course, very fertile newt.

But Coralie is a curious, rule-busting siren. Although Amav, the sea kingdom's king, has forbidden anyone to go to the surface, Coralie often goes there to observe the humans.

One day, she sees a very handsome man. A blond man with blue eyes, muscular, tanned, and with a benevolent aura. He walks on the beach with a nonchalant air and the red-haired mermaid knows his name when another man, probably a friend, calls him.

Rize. His name is Rize. [1] Strangely, Coralie thinks of rice, and that makes her laugh. Yet she has never seen rice in her whole life.

The ginger mermaid returns to the ocean depths, to the sea kingdom, and she feels lighter.

Rize..., thought Coralie. Oh, by all the streams, I love him, I love him with all my heart!

She has never felt love before, but her mother warned her. Among mermaids, first love is the strongest and most dangerous. The mermaid can become obsessed with her lover, to the point of putting herself in danger to get him, even resorting to force.

I... I must be reasonable..., Coralie thought sadly. He's a human and I'm a mermaid... I... NO!

She refuses to give up her feelings.

I love him! I WILL marry him! she said to herself, determined. *I just have to become human and... but how? Oh, I know!*

The witch Delmare. A siren banished from the kingdom, because her magic is dangerous and evil, but a rumor says she can do anything.

*I'll just go to her and ask her to turn me into a human, Coralie thought, then Rize and I... *I*!*

The mermaid trembles with a sudden euphoria and madness and then feels guilty.

But... my family... If I become human, I can never see them again. They expect me to marry a newt. I... should I...? Ohhhhh, what should I do?

Coralie thinks and makes her decision.

[1] Rize sound like Rice. It's a pun.

What if? Coralie forgets Rize.

The red-haired mermaid must forget about Rize.

Y...yes... it's... for the best..., she thought, ohhhhhh, Rize!

The siren mourns her first love and she grieves for a year. Then she marries Cove. A strong, brave, and very fertile newt, as her family desires. After the wedding ceremony, Coralie and Cove go to a cave.

"It's time for us to unite, my love." Cove tells her.

He removes the bra, made of coral, from his wife.

"Are you ready?" He asks his mermaid.

To make love, of course. Coralie says "yes" to him.

Without wasting time, Cove kisses her neck, gently caresses her breasts in a circular motion, and he pinches her nipples. Coralie moans of pleasure.

"Yes~!" said Cove cheerfully. "I feel it coming~..."

The newt puts his lips on her left nipple and sucks it gently. Coralie moans more. White liquid begins to flow from Cove's hair.

"Ahhh, pleasure, yeeeeeeaaah~..." said Cove, in ecstasy, after withdrawing from Coralie's breast. "Come, take my love fluid, and moan with me!"

He intertwines his hair with his beautiful one. Coralie's hair absorbs the white liquid, his sperm, and the two lovers orgasm in harmony.

Coralie's purity, her virginity is consumed. Cove's hair continues to produce semen, Coralie's hair still absorbs it, and the siren's breasts begin to make milk.

"Ahhh~... Ahhh~..." moaned Cove. "Your sweet little milk... mine... all mine, my love."

Cove puts again his lips on Coralie's left nipple and he sucks it gently. He delights in his beautiful wife's milk. His hands caress the mermaid's back vigorously. Cove then goes to drink in the other breast.

Coralie is in ecstasy. She orgasms unceasingly and she's very happy.

Ohhh~, she thought, I can't wait to give birth to Cove's child!

End: Happy with another.

Coralie and the witch.

She must see the witch Delmare.

Yes, I mustn't give up! For Rize!!!

The mermaid went to a dark and remote corner of the ocean, where the witch lived. On the way to the cave where Delmare is, Coralie was horrified to see tentacles playing sexually with newts and mermaids transformed into humans.

For women, two tentacles suck on their breasts. A tentacle enters each of their holes. Others caress their legs, their arms and their bellies.

For men, tentacles caress their arms, legs, and one quickly squeezes a long thing that they have between their legs.

They all orgasm, without stopping, creating a strange symphony.

Inside the cave, Coralie meets the witch. Delmare is a very pretty siren. Long black hair. Big breasts, well supported by a coral bra. Orange eyes. A shiny tail and... tentacles coming out of her back.

Large black tentacles, like those that play with newts and mermaids turn into humans.

"Welcome, my dear~." Said the witch in a seductive tone. "So, what can I do for you?"

"Uh. Why... the tentacles... outside...?" Coralie asks hesitantly.

"Ohhhh~" The witch moaned softly. "You've seen my toys. Aren't they exquisite?"

"What?!" The ginger mermaid exclaims, disgusted.

"These are the ones who betrayed me by not fulfilling their contracts!" Delmare explains. "I am a good witch, believe me, but those who break my contract must pay the price. Now they are all mine. My pleasure toys~! Don't worry, honey. Everything will be fine if you do what I say. So what do you want from me?"

It's too late to back out! Coralie thought.

"I want to become human so I can live with the man of my life!"

"Is that all?" the witch asks, surprised by such a simple request. "No problem."

The witch makes a contract appear and Coralie must sign it. The red-haired siren takes the time to read it. It says that Delmare will turn her into a human in exchange for "her purities."

She wants my purity, my virginity. I would have liked to keep it for Rize, but so be it.

Coralie signs the contract, but she wonders why it says "her purities." After all, the mermaid only has one.

"Good, *very* good!" says Delmare happily with a mischievous look.

The witch makes the contract disappear. She approaches Coralie and tears off her bra. The siren cries out in fright.

"Come on, don't be afraid and honor your contract!" Delmare orders her.

The witch puts her hands on Coralie's breasts then she caresses them brutally. Despite her fright, Coralie moans with pleasure.

"Yesss!" said Delmare in a sensual tone. "Moan for me, my darling~!"

Then Delmare pinches her nipples several times. Coralie moans again. The witch laughs softly and she casts a spell on herself. White liquid begins to flow from her hair. Semen.

"Your mermaid purity... IS MINE!" Said the witch, victorious.

The witch intertwines her hair with those of the ginger mermaid. Coralie's hair absorbs the white liquid. It doesn't take long before Delmare and Coralie start to orgasm in harmony.

Coralie's purity, her virginity is consumed. The siren's breasts began to make milk.

"Ahhh~..." Delmare moans softly.

The witch removes her hair from Coralie's.

"Milk... good little milk... I'm going to savor you, my beautiful Coralie~!"

Delmare puts her lips on Coralie's right nipple and she sucks gently,

relishing Coralie's wonderful milk. She then goes to drink from her other breast. Coralie, on the other hand, moans incessantly.

When she had finished savoring her milk, Delmare cast a spell on her and Coralie became a human! She can still breathe underwater thanks to the witch's magic. Strangely, her new body no longer feels pleasure.

"Oh, thank you so much!" said Coralie. "But... uh... why am I naked?"

Indeed, Coralie is completely naked. Her flesh is exposed to the witch's view.

"Because I'm not done yet." Delmare says mischievously.

The witch casts another spell on herself. She turns into a human, but she has the long thing that men have between their legs. Coralie is astonished by this metamorphosis.

"It's called a 'cock', sweetheart~."

After giving this explanation, Delmare uses her tentacles to hold Coralie in place. Her arms high in the air and her legs wide apart.

Coralie yells and asks the witch what she's doing. Delame tells her that she is simply carrying out their contract.

The witch begins to massage gently Coralie's tits, while her new device slides between them, from the bottom to the top. Again, again and again.

"NOOOO!" Coralie shouts between several whimpers.

"OH, BUT YES! You signed, Coralie. Your purities, your mermaid AND human virginities!"

The red-haired siren yells more and more.

"If you resist me, your contract will be broken!" Said Delmare firmly, before her voice softened. "Relax, my beautiful one, and let me give you a good time~."

Delmare withdraws her dick and she's about to touch Coralie's beautiful, pure, divine pearl.

I... I must not let her do it! Coralie said to herself, not wanting to lose hope. All I have to do is flee... use a chant, escape, and rise to the surface! Well... it's possible... right? But I can only breathe underwater thanks to

her magic, and if I resist her, my contract will be broken. What should I do?

What if? Coralie tries to escape from Delmare.

She must flee. Coralie refuses to be defiled by this witch. The siren begins to sing. Delmare suddenly feels strange, dizzy. The magic chant works.

Her tentacles free Coralie and she escapes from the cave. The purple-eyed mermaid swims a little further when black tentacles catch her and capture her.

"NOOOOOOOOO!" screams Coralie.

They bring her before the witch. She's still in her human form with a penis. Delmare is mad with rage.

"So, just like this, you betray me?!"

Coralie tries to tell her that "no" but the witch interrupts her.

"You didn't honor your contract! It is now broken, my dear, and you know what that means."

Delmare smiled and her eyes lit up with a sweet madness.

"YOU ARE MY TOY FOREVER!"

"No!" Begs the purple-eyed mermaid. "Let me go!"

Coralie starts to struggle vigorously, but she can't free herself.

The witch yells an insult to her then she enters her dong in Coralie's love tunnel with violence, consuming her human purity. The red-haired siren screams in pain.

"You'll learn to respect me." Said Delmare, as she withdrew her tail.

Then she enters it again in Coralie's divine cave. The witch's hands go squeeze the mermaid's breasts, while pinching her nipples from time to time. One of her tentacles goes in her ass hole. Coralie cries out in pain and pleasure.

"Yesss~..." Moaned Delmare. "Ahhh~... Coralie... Ahhh~... My beautiful Coralie... Ahhh~... My beautiful toy~... Ohhh~... forever!"

Coralie starts to cry and Delmare, tired of hearing her whining, forces

one of her tentacles into her mouth. Then she pulls her cock out of Coralie and licks the siren's jewel, reveling in her delicious love fluid.

Coralie, in spite of the tentacle in her mouth, pushes muffled moans. Tears continue to flow from her purple eyes.

She'll never see her family again, nor Rize. She is condemned to be the witch's sexual plaything until her death.

End: The witch's toy.

Coralie honors her contract.

She must remain calm. The mermaid mustn't break her contract.

Even if it's humiliating, I do it for Rize!

Delmare touches her pretty pearl with her finger. Coralie moans again with pleasure.

"Ahhh~..." Moaned the witch softly. "Do you see, my pretty, how nice it is? Now I'll go inside~."

She enters her finger in Coralie's love tunnel and she fondles it from the inside. The siren orgasms unceasingly.

"Yes, yessss~..." Delmare continues, entering into ecstasy. "Here's your little love juice. I'm going to lick it off now."

The witch removes her finger from Coralie's jewel. Little love juice starts to flow. Delmare licks it off with pleasure and, when Coralie is "clean," she gently enters her cave with her cock.

Coralie's human purity is consummated.

"Ahhh, yes~... OHHH, YES~...!" Delmare is electrified with pleasure. "Again."

She pulls out her tail and she tucks it back into Coralie.

"Again."

Another penetration.

"AGAIN!!!"

A last penetration and her cock ejaculates. Then, Delmare releases Coralie from her tentacles.

"It's been a long time since anyone has fulfilled their contract." She said to the red-haired siren. "Thanks to you, Coralie. Now, good luck with the man of your life."

The witch casts several spells on her and the mermaid immediately loses consciousness.

Coralie and *her* Rize.

When Coralie wakes up, she's on the beach and wearing a dress.

I'm on the surface and I'm still human! She thought, surprised.

Suddenly, she hears a voice calling her.

Could it be...?

The now human siren turns around and she sees him coming. The beautiful Rize.

"Is everything all right?" He asks her.

"Y...Yes... I..."

Coralie blushed.

"I'm just... uh, lost."

"Ah..." said Rize in a nonchalant tone. "In that case, I'll take you to the city. Someone will be able to help you."

Coralie tries to stand up, but as she has never walked in her life, her body crashes into the sand. Rize, worried, asks her if she's hurt.

"No, no! I'm fine, I...! It's strange, but I can't walk."

"Then let me carry you."

Rize takes her in his arms and Coralie feels free, as if she was flying, like a bird.

"No worries." Rize assures her. "I'm holding you tight."

"Right. My name is Coralie."

"Coralie? That's nice. I'm Rize. Yes, like rice. My parents always had strange ideas for their children's names."

Rize immediately sets off. He takes the woman to the city where he lives to see a very well-known doctor.

"Well, how is she?" Rize asks the doctor.

"Coralie is a lovely lady and she's in excellent health. The curious thing is that she didn't know how to walk."

Rize finds this strange.

"She... I'm sorry, but she... didn't know how to... walk?"

"Yes." The doctor told him. "But she has learned quickly. Many things in our world are unknown to her, but she's quite sane."

"Good." Rize replies, reassured. "I wouldn't have known what to do with her if she had been crazy."

"Well, for the insane, there's the asylum." Said the doctor in the most mundane way possible, as if this is information that everyone should know. "Well, that's 50 silver pieces."

"50 silver pieces? For a simple health assessment?" Rize asks astonished. "That's expensive, Doctor."

"A health assessment, checking her state of mind, I taught her how to walk..."

"Okay, okay." Rize says, sighing. "Here's your money."

He gives him the silver coins. There are also bronze and gold coins, which have a different monetary value. The doctor then says that Coralie is waiting for him.

Rize goes to see her and the woman is happy to see him again. She yells out his name.

"Coralie? Why are you screaming?"

"Oh, Rize, I'm so happy with you!"

Rize sighs. Coralie is a pretty woman, but he can't help but find her strange. He starts to talk to her in a more familiar way, even though they barely know each other.

"O...kay...? Come on, let's go."

They walk out of the doctor's workplace together, then Rize asks Coralie where she lives.

"I... I live, uh... a long way from here."

"So, do you have nowhere to go?"

Coralie replies "yes."

"Okay, well... this wasn't planned, but you can stay at my place for a while."

Coralie refrains from jumping with joy. She is going to live with Rize. She will get to know him and when the time is right, she will declare her love to him.

A month passes. Rize is rarely at home, because he's a fisherman, and he's often out at sea. Coralie is happy, but her happiness will only be complete when she is married to him.

I am decided. No more waiting. I declare my love for him as soon as he comes home!

Rize barely had time to open the front door when Coralie addressed him.

"Rize. I have to talk to you. It's very important."

"Coralie? Yes, of course, what do you want to talk to me about?"

"I... I'm in love with you."

"Wh-What? Since when?"

Rize is all surprised and Coralie doesn't understand his reaction.

"For a long time. Well, since the day we met."

It was a lie, of course, but Coralie doesn't want to tell him about her old life. Her life as a mermaid.

"And?" Said simply the man of her life.

"And?" Is that all you can think of to say?" Coralie retorts to him, frustrated. "I want to marry you!"

"But Coralie..."

"What? You have someone else in your life is that it?!"

"No, but I..."

"Then everything's perfect! We can get married and..."

"Coralie. You are an amazing woman, but I don't feel anything for you."

At this moment, something breaks in Coralie. A good part of her sanity. She starts to scream.

"NO! YOU ARE MINE!"

Among mermaids, first love is the strongest and most dangerous. The mermaid can become obsessed with her lover, to the point of putting herself in danger to get him, even resorting to force.

[...] become obsessed... get him... resorting to force. Coralie then knew what to do.

She takes off her dress and she exposes her body. Her tits, her pearl, her buttocks, to his beautiful Rize.

"CORALIE! Have you lost your mind? Get dressed right now!" Orders an angry Rize.

The woman just laughs. She isn't in her right mind anymore.

"Come, my dear~. Come and love your divine Coralie~."

She approaches Rize, despite his threats, and sings a siren song. A desire and love chant. Although Coralie is human, the song had an effect on Rize. He falls madly in love with her.

Suddenly, Rize makes a sound strangely resembling an orgasm, then speaks to the mermaid who has become human.

"Beautiful Coralie... forgive me. I was blind to your beauty."

"Do you love me?"

"Yes, I love you."

"Will you marry me, make me the mother of your children?"

"Yes! I can't live without you!"

"Then come, my Rize~."

Coralie goes to Rize's room. She lies down in his bed and her lover

joins her. He undresses and gets into bed with his love.

Rize tenderly makes love to her. His hands caress her breasts, his cock slides between them, from bottom to top, then he enters her temple to drop his seeds.

"Ahhhh~... Rize, my love, we will stay together forever!"

"Yes, my darling, my Coralie."

Rize, who used to be a brave and kind-hearted man, is now nothing. He has become a vulgar puppet obeying Coralie. The woman doesn't notice. She is so happy to live with the man of her life.

A week later, Coralie and Rize get married. During the ceremony, Coralie feels strange. Something seems to be plaguing her mind. The feeling that she has "forced" Rize to love her, that she should let him go, but she pushes this crazy thought from her mind.

*Losing *my* Rize and risking ending up in an asylum for the rest of my life?* She thought. *NEVER! HE BELONGS TO ME!*

After the wedding, the couple returns to Rize's house. In the fisherman's room, Rize makes sweet love to her. Coralie orgasms as his cock enter her.

The siren turned human is swimming in happiness. She can't wait to give birth to *her* Rize's first child.

And if a woman tries to steal him from me, she'll die!

End: Blissful madness with Rize.
